

Presentation to Cappagh Hospital Foundation

Cappagh Hospital patient Michael Boland of Richmond, Nenagh has been a voluntary fundraiser and solid supporter of the hospital's charity foundation for many years now. He champions the work of Cappagh Hospital Foundation by collecting and distributing their charity boxes in shops and pubs in Nenagh and surrounding areas, affording the hospital a much needed opportunity to take its campaign to the people of Tipperary. In addition, Michael hosted a charity collection in Nenagh November 8th and 9th last and he has just presented the foundation with a cheque for €1,662. Pictured at the recent cheque presentation were left to right: Chad Mialing, Elmear Hennessy, Michael Boland, Anita Kucharczyk and Anna Szarata.
